

How to Cultivate Your Investing Superpower!

5 Ways Women can Achieve Superior Investment Results and Retire with Confidence

1.

X-Ray Vision: Have a Financial Plan

- Identify your Goals
- Create a Road Map for Success
- Baseline for Investment Strategy

2.

Force Field: Know Your Safety Net

- Put an emergency fund in place
- Allocate for short-term and medium-term expenses

3.

Lasso of Truth: Take Calculated Risk

- Build a Globally Diversified Portfolio
- Beat inflation and build purchasing power
- Invest. Don't Speculate

4.

Freeze Power: Automate

- Pay yourself first
- Automate contribution increases
- Set it and forget it

5.

Mind Control: Know When to Act and When Not to

- Stay in your seat
- Declines are temporary
- Act as an opportunist, not a victim
